President's Message

Greeting to friends near and far! My name is Sandra Hara and I am your new Stockholm Historical Society President. I grew up in Stockholm, the daughter of Harold and Ruth (Sandstrom) Johnson. I attended Stockholm Schools and graduated in 1962 from Caribou High. I then got my vocational nurse training at the Northern Maine Vocational Institute, got married to one of those "fly boys" Clifford Hara, moved to the desert of Southern California and raised a family. In 2001 we came home for a 1-week visit in July. In 2002 we came back for 2 weeks and found a camp at Madawaska Lake. We finally retired in 2006 and the plan was to spend summers at the lake and winters in California. But after 11 cross-country car trips, longer times in Maine and less time in California we have decided to cross over and become official Mainiacs again.

We have a wonderful heritage housed in the old general store and barn at the corner of North Main St and Lake St. and it is an awesome responsibility to keep this 100+ year old building in shape and up to date. Thank goodness we have a small very dedicated group of folks who see to this endeavor. Each year brings new repair challenges, new displays, and new funding worries. We have the calendars produced by Lori Costello and Linda Callison that have been a huge success. With the continuing worry over rising fuel oil costs and other costs we need to seek more avenues of revenue.

As we begin this new season it is my hope that we can expand our active membership with folk who can dedicate a few hours of time to the museum. There is a great need for "new blood" to come in and learn from those who have dedicated years to the museum. We have an amazing group of volunteers, who have held their respective offices for years, but they would love to pass the "torch" and we would love to embrace new folk. You don't have to have ancestry from Stockholm to join, or even live in Stockholm to be an active member. One of our most active members lives in the town of Madawaska and others live at Madawaska Lake.

Here is my wish list:

1. Volunteers to host at the museum on summer weekends.
2. Volunteers who have an interest in the repair and upkeep of museum artifacts.
3. Ideas and assistance with fund raising.
4. Volunteers who have a desire to help with ANY aspect of the museum.
5. Expansion of our gift shop items
6. Ideas on how we can take advantage of the upcoming 2014 Acadian Congress to increase our exposure to the rest of Aroostook County, Maine and Canada.

I look forward to the spring and invite everyone to our first official meeting of 2013, which is April 29th at 7 pm here at the museum.

Past President's Message

I have been President of the Historical Society for seventeen years. It didn't seem that long but now it's time to give someone else the position. It was a pleasure to serve and we accomplished a lot by working together. There is still a lot more to do but we are very proud of everything that has been done.

Now, we need to encourage our younger generation to join us. The museum will be theirs to maintain and promote what we have been working on all these years.

The museum is an asset to our community. We get many of compliments every year from the community and as well as from outside visitors and tourists from other states and countries.

Our next project, through a generous donation from Paul Anderson, is the fabrication of a Hot Air Balloon in memory of Gordon Anderson who brought his balloon to Stockholm and gave free rides to anyone who wanted courtesy of Paul Anderson, to honor the past baseball team members that were active in town and county in the 1950's.

Our new President is Sandra Hara. Sandra is a devoted member and hard worker for our society.

See you all in April. We will be vacationing in Tucson, Arizona for a few weeks. We hope you all have a wonderful winter. Stay warm!

Calendars will be available the first part of July.

Stockholm Firefighters Honored

The volunteers of the Stockholm Fire Dept. were honored at a dinner on January 25, 2013. The hearty pot roast dinner was hosted by the American Legion Post # 136 of Stockholm. Seven of the ten volunteers were able to attend. The evening started with Brenda Jepson singing the Star Spangled Banner. Auxiliary President Kathy Robinson did a few fireman jokes and then Juanita Goetz sang several songs, some were sing-alongs. Commander Herman Fisher presented each honoree with a certificate and then announced the Fireman of the Year: Joe Thibodeau. Stockholm and surrounding towns appreciate these fine men for their service.
