

New Sweden Historical Society- Membership Form

Välkommen! Thank you for your interest in joining the NSHS. Our organization was formed to remember and preserve our Swedish Heritage. The NSHS was organized in 1926 and recently celebrated 154 years of history. The museum preserves and displays many of our ancestors' photos, stories, household items, farming tools, implements and machinery as well as preservation of historic buildings.

In addition to the museum, the NSHS coordinates the annual Midsommar Celebration each June, which draws many families and those of Swedish descent to the area. Also, the NSHS is responsible for the upkeep and maintenance of several historic buildings in the area, such as the Lindsten Stuga, Ostlund House, Lars Noak Blacksmith Shop and the Capital School which presently serves as a gift shop. Joining the NSHS, donations and volunteering are some of the ways you can help. This is a huge undertaking, and your support is needed to keep these traditions alive for years to come.
